PROFILE

I'm Alex, a second year Student Ambassador enrolled in a Bachelor of Science (BSc) degree at Plymouth University in Computing and Games Development. I'm passionate about coding and designing software, especially in games!

EXPERIENCE

I'm most confident in C#, Git, and Unity. I can apply this knowledge to quickly adapt to other languages and engines to suit the team I'm in.

EDUCATION

2018 - Present:

University of Plymouth - BSc Computing and Games Development

2015 - 2017:

Hereford Sixth Form College - Computer Science, Psychology, English Language (A, A, C)

SKILLS

As a Programmer:

- Experience C#, Java, C++, Assembly x86
- Industry standard IDEs (Visual Studio, NetBeans, Atom)
- Video editing (Adobe Premier Pro, Final Cut Pro X)
- Web design (HTML, CSS)
- Database management (SQL, RDBMS, ERDs)

As a Game Developer:

- Industry standard engines (Unity)
- UI and UX design
- 3D asset production (Blender, Maya, MagicaVoxel)
- Character/level design and 2D tile map asset production (Gimp, Adobe Photoshop)
- Audio asset production (Audacity)

As an individual:

- Communication (Student Ambassador, user testing sessions)
- Teamwork (Group projects, game jams)
- Enthusiasm to learn more
- Organisation (Project management tools such as Trello)
